The KTCR Expert Encyclopedia

We've just published a most fascinating new volume that has been the product of countless hours of work. It is the **KTCR Expert Encyclopedia**. In a single comprehensive book, we identify every expert that as testified at a Kentucky civil jury trial. As shown in the sample on the reverse page, experts are sorted by location, expertise, opinion, hiring attorney, jurisdiction and case information and trial result. There is are additional indexes sorted by expertise, opinion type and attorney.

- Thus the reader can answer all sorts of questions in just a single book:
- (1) How many times has an expert testified at trial? In what kind of cases?
 - (2) I want his depositions from trial – the book points to the case style.
 - (3) As the counsel in my case hired this expert before?
 - (4) How has this expert done in cases where he testified? Was the proof accepted or the opinions soundly rejected? It includes the verdict result and a KTCR cite.
 - (5) Need a pathologist to discuss a birth injury? There's an index by subject matter for it or any other expertise question that arises in your practice.

It is a remarkable book with wide-ranging utility for the practitioner who tries cases or who prepares cases for trial.
